

ALBERT D. K. CHEE, JR., Chevron Hawaii

Al currently serves as Hawaii Manager, Policy, Government and Public Affairs. In this role he has oversight of Chevron's government affairs, community relations and media relations in support of Chevron's manufacturing, distribution and marketing of petroleum products within the State of Hawaii.

Al joined Chevron in 1998 after a career in the local real estate development and general contracting industry. In his current role, Al represents Chevron's interests as a registered lobbyist in the legislative setting, is responsible for managing internal and external communications, and oversees development and implementation of key community partnerships in Hawaii. He is active as a board

member with the following organizations: Hawaii Bowl Executive Committee, Ahahui Koa Anuenue, and Hawaii Speed & Quickness.

Al graduated from Kamehameha Schools – Kapalama and earned a BS degree in Mechanical Engineering from the University of Hawaii – Manoa. He is married to Shonn Hirota-Chee. They have two daughters. He enjoys coaching youth sports, volunteering with local non-profits, and woodworking.
