

TONY HANLEY

Director Sales and Marketing –Northern California
Matson Navigation Company

Tony joined Matson in April of 1960 working on the San Francisco waterfront. He has worked in various capacities at Matson including Industrial Engineering, Labor Relations and Stevedoring. Tony was Director of Personnel before being transferred to Oahu to become Operations Manager of Matson Terminals Yard and CFS operations at their Sand Island Terminal. Tony was transferred to Hilo in 1988 as District Manager for Matson's sales and operations on the Big Island.

Tony involved himself in the community serving as President of various island organizations, including, the Hawaii Island Economic Development Board, the Hawaii Island Chamber of Commerce, the Portuguese Chamber of Commerce, the Big Island Business Council and the Navy League of Hilo. Tony was also Chair of the Board of the Hawaii Island United Way. Tony was deeply involved in the agriculture and livestock activities on the Island.

Tony and his wife Linda reluctantly took a transfer back to the Bay Area, where the only saving grace was their daily contact with their four grandsons.

Tony currently is Director of Sales –Northern California located at Matson's operation at Howard Terminal in Oakland.
