

Dr. Brennon Morioka is currently the Director of the State of Hawaii Department of Transportation after serving 3 years as the Deputy Director for the Highways Division. He was formerly a Senior Geotechnical Engineer and Project Manager for URS Corporation in their Honolulu Office where he specialized in landfills and waste disposal technologies, earthquake engineering, and trenchless technologies such as microtunneling and directional drilling. He is a licensed engineer in Hawaii and California.

Dr. Morioka received his Bachelor and Master of Science degrees in Civil Engineering from the University of California at Berkeley and completed his doctoral studies here at home at the University of Hawaii. He is also a graduate of Iolani School.

He serves as an elected member of the Hawaii State Earthquake Advisory Committee and is a member of the Hawaii Section of ASCE where he is the Co-Chair for the Geotechnical Committee.

Brennon is married to his wife of 9 years, Jeanine, with three keiki, Taysia (5 years) and identical twins, Brayden and Bronson (both 3 years old).
